Men's Hockey Program – Volunteer Positions

2012-2013 Season

Position Title: Assistant Equipment Manager

Position Summary: This position is for the Assistant Equipment Manager position with the men's hockey Hurricanes. The Assistant Equipment Manager is responsible for assisting the Equipment Manager in tending to all equipment issues during games. The Assistant Equipment Manager will be positioned between the dressing room and players' bench for all home games and must be ready to complete a task at the request of the Trainer or Equipment Manager. The Assistant Equipment Manager must also be available to be on the players' bench during games in case of the Equipment Manager being absent. Any training that must be obtained before the start of the season will be paid by the Holland College Hockey Program. The Assistant Equipment Manager will assist our Equipment Manager and Trainer.

Time Commitment: The candidate for the Assistant Equipment Manager position must be able to attend all home throughout Training Camp (beginning in early September), regular season (mid October until mid February) and playoffs (later February until late March), and any road games that they would like to attend (although not mandatory). The league stops its schedule during Christmas break. The Assistant Equipment Manager is asked to arrive at the rink two hours before puck drop for home games and to stay once cleanup is completed approximately one hour after the game.

Benefits: The Assistant Equipment Manager will receive Holland College Hurricanes clothing (track suit, shirts, hats, sweaters etc) to wear at team events. Invitation to all team events away from the rink as well as to have any training needed paid for by Holland College.
